MEMORIAL STATIONERY

At this sad time we would like to take this opportunity to offer our condolences for your loss of a loved one. No time is a good time, and we understand the stress of preparing for the funeral and the short space of time you have in which to put everything in place.

Personalised memorial stationery is a wonderful way of providing a lasting keepsake for the memory of someone dear.

We create designs that include family photographs and personal memories.

Funerals often arise unexpectedly and are a stressful time for families so we strive to make this part of the arrangements as straight forward as possible.

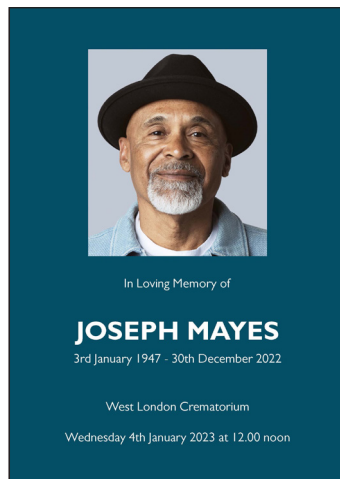

Our professionally designed packages include:
